

SPM - Agile Planning

Duration: 15 minutes.

* Indicates required question

1. Email *

2. Your student ID *

3. Your name *

4. What must a Scrum team do before a release planning meeting?

2 points

Mark only one oval.

- ☐ Compile a list of development tools.
- ☐ Prepare a product backlog.
- ☐ Decide who shall be Scrum master, and who shall be the product owner, and who shall be the team members.

5. What must a Scrum team discuss in a release planning meeting?

2 points

Check all that apply.

- ☐ What are the tasks to complete backlog items?
- ☐ What are the minimum releasable features (MRFs) and how many sprints are there?
- ☐ What is the cost to deliver the release?
- ☐ Who shall be the Scrum master and who shall be the product owner and who shall be the team members?
- ☐ What are development tools and infrastructure?

6. What must a release plan include?

2 points

Check all that apply.

- ☐ The start and end date of the release.
- ☐ The number of sprints of the release.
- ☐ The minimum releasable features (MRFs) of each sprint.
- ☐ The delivered date of each sprint.
- ☐ The role of each team member (the Scrum master, the product owner, the team members)
- ☐ The development tools and infrastructure.
- ☐ The cost to deliver the release.
- ☐ The project schedule (e.g. a Gantt chart).

7. What must the team discuss in a sprint planning meeting?

1 point

Mark only one oval.

- ☐ Which backlog items can be complete in the sprint and what are the tasks to complete them?
- ☐ Which backlog items will deliver more business value?
- ☐ What is the cost to complete the sprint backlog?

8. When should Definition of Done details be discussed?

1 point

Mark only one oval.

- ☐ During a release planning meeting.
- ☐ During a sprint planning meeting.
- ☐ During a daily meeting.

9. What topic falls outside the scope of a well-run daily stand-up meeting?

2 points

Mark only one oval.

- ☐ Recently completed tasks.
- ☐ Current obstacles.
- ☐ Current obstacles and corresponding solutions for them.
- ☐ What everyone will work on today.
